His book, *The Soul of Leadership* went on to become one of the best business books of 2011 by the Wall Street Journal. 21 of them have been bestsellers and his books have been translated in over 35 languages. The seven laws for parents are laws of: Pure Potentiality; Giving; Karma; Least Effort; Intention and Desire; Detachment; and Dharma. He focuses on showing them an alternate path that is more considerate to the human spirit engaging the philosophies in Hinduism and spiritualism. Major ad/promo; simultaneous Random House audio. After discussing the Law of Intention and Desire where readers are encouraged to tailor their desires into a list, he moves on to the Law of Detachment. Ask yourself how you are best suited to serve humanity. Still, Chopra celebrates well the innocence and sensitivity of childhood, and any reminder to parents to honor their too-often neglected treasures of potential has some worth. It has sold more than 3 million copies and has been a New York Times bestseller. The same corollary should therefore hold for man and he seeks out exercises and techniques that are to lend some form of spiritual connection with the inner self so as to increase productivity and reach the full potential locked within his readers. Filled with timeless wisdom and practical steps you can apply right away, this pocketbook edition of Chopra's classic bestselling book makes it easy for you to read and refer to again and again. He was born in New Delhi and graduated from AIIMS. Instead, Deepak Chopra offers a life-altering perspective on the attainment of success: When we understand our true nature and learn to live in harmony with natural law, a sense of well-being, good health, fulfilling relationships, and material abundance spring forth easily and effortlessly. Size notwithstanding, Chopra explicates a rather profound understanding of success that does hold its origins in back breaking work, ambition or stress. Use these daily steps to incorporate The Seven Spiritual Laws into your life: Sunday: The Law of Pure Potentiality Take time to be silent, to just BE. According to Chopra, the deepest desires can be fulfilled by following the laws of nature and the excavation of this premise is the book's triumph. About Deepak Chopra Deepak Chopra is an American physician, New Age guru and alternative medicine practitioner of Indian origins. Choosing actions that bring happiness and success to others ensures the flow of happiness and success to you. Learn more about The Law of Karma Wednesday: The Law of Least Effort Accept people, situations, and events as they occur. Chopra translates these straightforward principles into disarmingly concrete kiddie-speak as well: "Everything is possible", "If you want to get something, give it", "When you make a choice, you change the future", "Don't say no-go with the flow", "Every time you wish or want, you plant a seed", "Enjoy the journey", "You are here for a reason." Seeking to help parents to instill in children a sense of the spiritual at work in everyday life, Chopra offers games and suggestions, organized around days of the week ("Friday is the day of detachment"), and asks parents to relate to their children not as the voice of authority but as fellow creatures "embarked on the journey of soul-making." It is difficult not to view this slight work as crowd-pleasing oversimplification, spiritual cup o' soup for busy, results-oriented souls. Based on natural laws that govern all of creation, this book shatters the myth that success is the result of hard work, exacting plans, or driving ambition. "The Seven Spiritual Laws Of Success" is a distillation of the wisdom of New Age guru, Deepak Chopra.
