The series is set in the fictional underwater city of Bikini Bottom, and centers on the adventures and endeavors of SpongeBob SquarePants, an over-optimistic sea sponge that annoys other characters. Something Smells / Bossy Boots: After eating a rancid sundae, SpongeBob can't figure out why people are running away from him, and Patrick convinces him it's because he's ugly. / Pearl takes over as boss of the Krusty Krab, and overhauls the entire restaurant, much to both SpongeBob and Squidward's dismay.
